Words of Welcome from Association President, Darrell Glass:

Welcome to New Orleans and our 19th Reunion.

I'm sure you all will have a wonderful time and enjoy many of the activities available in this great tourist mecca.

I want to thank all of you for honoring me with the opportunity of serving as your President this past year. I also want to express my gratitude to all those of you who have contributed to a very successful year for our Association through your suggestions, recommendations and criticisms. You have made my tenure a most pleasurable one.

As usual, you will be among the closest of friends and should make the most of each of these get-togethers -- because, as the years dwindle down and our numbers diminish, we must hold onto that great comraderie that has set us apart from many other groups.

Furtheremore, you should continue to convey input to your Association officers so as to perpetuate the success we have been blessed with. Remember -- this is <u>your</u> Association and it is only as successful as <u>you</u> make it.

Again, Thank you for allowing me to serve you. Now, let's ENJOY!! I love every one of you.
